

Instructions on arriving in Finland from Ukraine

On applying for a municipality of residence

You can apply for a municipality of residence, when the following conditions are met:

1. You have lived in Finland for a year.
2. You have been granted a residence permit for temporary protection at least one year ago, which has been extended until 4 March 2024.
3. You have a Finnish personal identity code.

Example: You have been granted a residence permit for temporary protection on 5 May 2022, and it has been extended until 4 March 2024. You can apply for a municipality of residence at the earliest on 5 May 2023.

Apply for a municipality of residence with an online form from 1.3.2023

Apply for a municipality of residence using the online form. The form will be published on the site: dvv.fi/ukraine on 1 March 2023. You do not need to visit our service location. You cannot apply for a municipality of residence using the notification of move form.

Don't have a personal identity code?

You can apply for a personal identity code at your reception centre at any time. The centre will forward your application to the Digital and Population Data Services Agency. Alternatively, you can apply by visiting a service location of the Digital and Population Data Services Agency.

Are you studying? Are you employed?

You can already apply for a municipality of residence by visiting our service location if you have:

- a residence permit for temporary protection that is valid for at least one year, and an employment relationship or a student status that lasts for at least two years, or
- a family member who has a municipality of residence in Finland.
