What will IHH's information session for students cover?

The information session supports your settling-in process and focuses on the authority, support and guidance services available after arriving in Finland:

- Registration and formalities, such as applying for a personal identity code, EU citizen's right of residence or social security
- Documents you may need
- Services provided by IHH

You can write any questions you may have on the sign-up form, but please note, that we won't cover personal affairs or universities' internal processes.
