

Moi!

Are you in the process of moving to the Helsinki capital region for work or interested in learning more about moving to the capital region?

International House Helsinki's Newcomer Information Sessions are here to support international professionals and their family members interested in making the capital region their new home.

Our session will provide you with information on topics like:

- How to enjoy life in the capital
- Work-based immigration
- How to prepare for relocation
- Handling public authority-related matters
- Housing, public transport and the local health care system
- Support available for accompanying spouses
- The Finnish education system, daycare and schooling options
- Services for jobseekers and entrepreneurs
