

# TALENT HACKATHON 2023

## A NEW HACKATHON FOR INTERNATIONAL STUDENTS AND RECENTLY GRADUATED INTERNATIONALS

Talent Hackathon brings together a group of students with different majors, and during the event participants will get a challenge to solve tasks and problems in a creative way provided by our partner companies.

If you are open-minded and interested in improving your knowledge, willing to network with companies, and interested in solving problems with other people - Talent Hackathon 2023 is for you!

### WHERE AND WHEN?

Talent Hackathon 2023 will take place at VALO Hotel & Work in Helsinki from 9.3.2023-10.3.2023.

### FOR WHO?

International students who are studying at Finnish Universities or Universities of Applied Sciences or have recently graduated.
